

CF401

Solid White Non Heat Sealable for Cold Seal Application

SOLID WHITE BOPP FILM

DESCRIPTION :

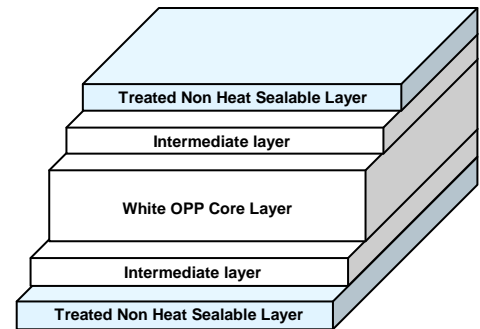

Gulf Pack CF401 is a solid white opaque film, Non heat sealable both side treated for cold seal application

PRODUCT FEATURES :

Both sides treated.
Ideal whiteness and gloss.
Surface treatment on two sides promotes receptivity to inks, lacquers and cohesive sealants

APPLICATIONS :

Cold seal application.
Rotogravure & Flexographic printing.

Gulf Pack CF401 films comply with EU Regulation 10/2011/EC and USA FDA Code of Federal Regulations CFR21 section 177.1520 (c) 1.1 and are suitable for use in packaging, carrying and transporting foodstuffs.

The information contained in this technical leaflet illustrates typical values only and are to the best of our knowledge. Since the conditions under which our films may be used are beyond our control, such values are declared without warranty or guarantee.

Bi-axially oriented polypropylene films age with time and will exhibit deterioration of some properties if not stored in a suitable environment at a temperature 30°C or below. We strongly advise our customers to use recommended storage conditions and consume products before 6 months from date of production in our plant.

Detailed advice regarding other specific applications of **Gulf Pack CF401** and other films in the Gulf Pack range is available upon request.
